

OVERVIEW

TheraStaff's driving mission is to connect our clients' healthcare organizations with licensed and skilled professionals specializing in patient rehabilitation. Founded in 1995 and headquartered in San Diego, our staffing firm supports facilities throughout California, Colorado, Indiana and Texas.

Our objective is to help your medical facility provide patients with the highest quality in healthcare services. We achieve this through hand-selecting top therapists and therapy assistants for your jobs. Our people have the right skills, training, licensure, personality and abilities to make a positive impact on your work environment and your patients.
